DISCOVER WJ CREW

More Than a Sport

The Walter Johnson Crew Club helps students build confidence, develop leadership skills, form lasting friendships, and have life-changing experiences that will benefit them beyond high school.

What Makes WJ Crew Different?

- Students can participate as a rower or coxswain
- Athletes compete as a team where everyone plays a critical role
- Many Walter Johnson Crew athletes continue rowing in college

Starting in 2027-28, WJ Crew will also include students from Woodward High School.
